

CHRISTIAN DAVE A. ORTIZ

Manila, Philippines | +63 945 897 6144 | christianortiz.dave@gmail.com | linkedin.com/in/chrsortizdave

PROFESSIONAL SUMMARY

Detail-oriented QA Tester and Junior Developer with hands-on experience in web application development and software quality assurance. Skilled in creating and executing test cases, ensuring data accuracy, troubleshooting and resolving bugs, and working closely with cross-functional teams to deliver reliable, user-friendly software. Background includes developing and maintaining websites and web applications, adding new features, and enhancing existing functionality with C#, ASP.NET MVC, SQL Server, HTML, CSS, and JavaScript. Experienced in Agile environments and familiar with SDLC, regression testing, and post-release reviews. Comfortable using SQL, test management tools, and automation testing tools such as Selenium and Playwright, along with collaboration platforms, to support smooth project delivery and high-quality software.

SKILLS

Programming & Frameworks: C#, .NET, ASP.NET MVC, JavaScript, HTML, CSS, Python (basic), Fluxor

Architecture & Methodologies: Agile, Scrum, SDLC, N-Layer Architecture, Extreme Programming, Unit Testing, Code Reviews, Debugging

Databases: SQL Server, SQL (queries, data validation), SQL Server Management Studio (SSMS)

Testing & QA: Manual Testing, Test Case Design & Execution, Regression Testing, Frontend & Backend Testing, UI/UX Testing, Bug Tracking, Local-to-PROD Testing

Test Automation & API Testing: Selenium, Playwright, Postman (JSON, Bearer Token, status codes)

Tools & Platforms: Visual Studio, GitHub, Azure DevOps, Monday.com, Google Sheets, Microsoft Office Suite

Professional Skills: Communication, Technical Documentation, Critical Thinking, Attention to Detail, Collaboration

PROFESSIONAL EXPERIENCE

Junior Developer

Thurston Software Solutions, Inc. | San Juan City, Philippines | January 2026 – Present

- Develop and maintain web applications with C#, ASP.NET MVC, SQL Server, HTML, CSS, and JavaScript per project requirements.
- Implement new features and enhance existing functionality in collaboration with senior developers and cross-functional teams, improving user experience.
- Write clean, maintainable code that follows established coding standards and best practices.
- Debug and troubleshoot application issues, including critical performance problems.
- Support testing activities, including unit testing and QA validation, to maintain high software quality.
- Participate in code reviews and apply feedback to improve code quality.
- Work in an Agile environment, attending daily stand-ups, sprint planning, and retrospectives.
- Maintain documentation for technical processes, system updates, and development workflows.

QA Tester

Thurston Software Solutions, Inc. | San Juan City, Philippines | September 2024 – January 2026

- Designed and executed manual test cases based on system requirements and expected behavior.
- Performed API testing in Postman, validating JSON responses, status codes, and Bearer Token authentication.
- Automated functional and regression UI tests using Selenium and Playwright.
- Identified, documented, and tracked bugs, working closely with developers to resolve them efficiently.
- Performed regression testing after fixes and participated in post-release checks within an Agile workflow.
- Documented test procedures and results in test management tools to support team alignment.

Technical Associate Intern

Cubed Technologies Solutions Phils. Inc. | Manila, Philippines | March 2024 – June 2024

- Assisted the IT team in deploying network infrastructure to support reliable connectivity and system performance.
- Troubleshoot hardware and software issues for employees, improving operational efficiency.
- Tested and debugged software and gave constructive feedback to developers to improve application performance.
- Contributed to the development and maintenance of internal databases and the company website.

EDUCATION

Bachelor of Science in Information Technology, Specialization in Cybersecurity

Universidad de Manila | Manila, Philippines | April 2024

- Cum Laude; Consistent Dean's Lister (2020 – 2024); GPA: 98.00

High School Diploma, Information and Communications Technology

Arellano University | Manila, Philippines | January 2020

LANGUAGES

English: Advanced (C1) | Filipino: Proficient (C2)
